Cancellation and Refund Policy

The Club requires that full fees be paid at the time of registration. To cancel a registration, a minimum of 10 business days advance notice is required to obtain a refund. There is no refund for cancellations made less than 10 business days before the start of your registered session.

Parent/Guardian: I have read and understand the cancellation/refund policy outlined above

Out-Trip Waiver

BGC’s Day Camp programs often involve out-trips away from the Club. The Club Membership Agreement includes an Acknowledgement of Risks and Consent Form, which must be signed by the Club Member’s parent/guardian. It includes a detailed description of activities and inherent risks involved in Club programming both at the Club and off-site. This form is completed during membership registration, so BGC requires no additional consent in order for the Club Member to participate in out-trips.

Parent/Guardian: I have read and understand BGC’s out-trip waiver.
