

Fraserview Club
CHAMPION

Boys & Girls Clubs
of South Coast BC

Odlum Brown Limited

At Odlum Brown Limited, we love the communities where we live and work!

After learning more about the Boys and Girls Clubs organization and their incredible work in giving children and youth something they all deserve: a place to really belong when they aren't at home or school, we realized how closely the Boys and Girls Clubs' values matched those of our firm. We are extremely proud to partner with this great organization as the Champion of the Fraserview Club.

This exciting partnership will support Fraserview's amazing kids by funding activities such as sports, homework clubs, creative arts, cooking programs, leadership development and safe access to the online world. These are all important tools to connect with and build long term, trusted relationships with kids.

As a firm that passionately embraces the responsibility to enrich our communities, Odlum Brown's corporate philanthropy spans the province with diverse sponsorships. Says President and CEO Debra Hewson, "At Odlum Brown, we truly believe that it is our collective responsibility as members of the community to make a difference, whether that means contributing our time, our money or our ideas. We are proud to support the Boys and Girls Clubs of South Coast BC and the wonderful work they do for local children and families."

Thank You
