2021-2022 ANNUAL REPORT

At BGC, we continued to move through another pandemic year with incredible impact in the lives of kids, youth and families in the Lower Mainland. We were able to reach more people than the prior year while maintaining clear focus on the work we do so well.

- We are continuing to focus on sustaining the individual, authentic relationships we have with our amazing kids and families, and to help them in every way we can. That doesn't mean we're trying to be everything to everyone, it means that within our mission, vision, and our core skills, we're offering belonging, support, and opportunities that kids and families need.
- We're NOT duplicating efforts of others. As always though, we're partnered with many organizations across our community, and in fact across the country, so that in some cases, we are a conduit for supports that families need.

We're happy to share that BGC was able to do the work to continue serving those who needed us the most, and we continue to be in a strong position as we ramp up to our pre-pandemic numbers!

BECAUSE OF CLUB...

Thank you to everyone who supported our **Be Bold Initiative** last year that raised **over \$148,500** to ensure that the pandemic doesn't limit the potential for youth to become the inspiring leaders they were born to be. Our goal was to provide opportunities for youth to engage with other youth in a safe and positive way. We know that youth mental health continues to be a huge concern, and we will continue to provide opportunities for our youth to ensure that they have the support they need now, as well as in the future.

South Coast BC

NEW BRAND, SAME CLUB,
SAME SENSE OF BELONGING:
MEET BGC SOUTH COAST BC

It's official. Boys and Girls Clubs of South Coast BC has become **BGC South Coast BC.**

Not to be trendy. Not because it's shorter or catchier. But because Clubs across the country open their doors to all kids and teens and we believe our brand should reflect that so every kid and youth feels they belong here. Removing gender from our name modernizes the BGC brand and echoes the inclusive practices we're known for, without straying too far from our history and brand awareness. It also embraces the fact that we serve young people of all ages, backgrounds, and identities.

New brand, same legacy: over 85 years of creating opportunities for thousands of kids and teens across the Lower Mainland.
