ABOUT OVER THE EDGE – WHY SPONSOR?

Over The Edge is a unique, high profile urban fundraiser in the heart of downtown Vancouver that will provide you with **fun, high impact engagement and coverage**.

You'll be supporting BGC, having an **immediate and lasting impact** on the kids and youth in our community.

PREPARE TO BE AWESTRUCK

With the support of professional coaches, participants will experience the thrill of a lifetime rappelling 36 stories down the side of the Hyatt Regency Vancouver

This event appeals to thrill-seekers and "bucket list" adventurers of all abilities as well as individuals, pairs and groups – including teams representing local businesses, and companies.

IMPACT

The bravery of everyone who participated last year made all of us at BGC feel incredibly special and fortunate to have supporters, friends, and thrill seekers on our side and believe in our work!

In our first two years, we have seen 80 participants raise over \$185,000 ... with your support our **2023 goal is to recruit 50 participants and raise \$125,000.**
