"I used to be worried I'd get in trouble if I did something wrong. The Staff told me that everyone makes mistakes, and it's ok."

Best. Summer. Ever.

Each summer, BGC's Camp Potlatch welcomes over a thousand campers for a BGC style home-away-from-home wilderness adventure. Camp Potlatch provides traditional camp activities, but behind all that is our goal of building a sense of community, self-confidence, and resiliency in each and every one of our campers.

After a pandemic hiatus, we started last year's season almost entirely from scratch with a new staff team. Our 2022 Camp Potlatch season was a moment for our organization's resiliency to shine, and honestly, it felt a bit like a triumphant return. As we prepare to open our cabin doors again this summer, we believe that every kid who wants to go to camp should get to go – and we are excited to give our campers their Best. Summer. Ever.
