ADVENTURE STARTS HERE!

WHO WE ARE

BGC SOUTH COAST BC

BGC South Coast BC (BGC) was founded in 1936 and has been serving young people and their families in BC's Lower Mainland for over 80 years. Our mission is to provide a safe, supportive environment where children, youth, and families can experience new opportunities, overcome barriers, build positive relationships, and develop confidence and skills in life. At our neighbourhood-based Clubs, professional staff and trained volunteers offer a wide range of programs for children and youth during the critical out-of-school hours. We also offer a summer wilderness camp (Camp Potlatch), youth and family counselling, substance use services for youth, youth employment services, and parent support and early years programs. Across the Lower Mainland we serve 1,000 kids per day, and more than 10,000 children, youth, and families annually.

CAMP POTLATCH

As part of BGC, Camp Potlatch is true to BGC's mission, and is also influenced by a more generic philosophy of overnight camping. We create a 24-hour group-living experience for young people in a wilderness environment that provides campers with opportunities that will develop their self-esteem, and enhance their appreciation and understanding of the natural environment. The overall camp program is designed to create opportunities that will enhance the social, recreational, educational, health, and character development of each camper.

CORE VALUES

Belonging: We welcome everyone in a safe, accepting environment based on belonging and positive relationships.

Respect: We ensure that everyone – children, youth, families, volunteers, staff – is heard, respected, valued, and treated fairly.

Encouragement and support: We encourage and support every child and youth to play, learn, and grow to achieve their dreams.

Working together: We work together with young people, families, volunteers, our communities, and government.

Speaking out: We speak out with children, youth, and families so that we can make our world better.

BGC FACTS

- Nearly 1,000 youth enjoyed an incredible wilderness experience last summer and another 2,000 youth and adults visited during the Spring and Fall Outdoor Centre seasons.
- Last year we served almost 1500 kids in our 11 Clubs around the Lower Mainland.
- Last year, more than 320 individuals received assistance from Employment Services.
- Counselling & Support programs served over 1,200 youth and families throughout the year.
- Hundreds of volunteers provided thousands of hours of support to our programs.

CAMP POTLATCH

Located on 133 acres along the picturesque shores of Howe Sound, Camp Potlatch is a rustic wilderness site that provides a natural gateway into the rugged landscape of British Columbia's South Coast. Sandy beaches and unspoiled hiking territory create an idyllic environment to explore and play.

Less than an hour from Vancouver, the camp is truly isolated in pristine wilderness, and is only accessible by boat. Wildlife sightings include – but are not limited to – whales, seals, porpoises, bears, and bald eagles!

SUMMER CAMP

For over 80 years, Camp Potlatch has welcomed campers to experience the adventure of a lifetime in our summer camp programs. We offer a variety of programs for children and youth ages 7-16 with a focus on building self-confidence, resiliency, and responsibility in each of our campers. Activities for all campers include traditional camp programs (e.g., canoeing, kayaking, rock climbing, archery, etc.) as well as a 24-hour out-trip, either by land or by sea, where campers have the opportunity to sleep under the stars and help prepare their own meals.

At Camp Potlatch, we believe that every kid is amazing and capable of incredible things. We recognize that it's the relationships fostered between our campers and staff team which empower children to be their best person.

Camp fees are negotiated based on a family's ability to pay.

OUTDOOR CENTRE

During the months of May, June, September, and October, when Summer Camp is not in operation, Camp Potlatch transforms into the Outdoor Centre, where rental groups take part in a variety of professionally delivered camp programming. Camp Potlatch's Outdoor Centre offers experiential learning opportunities, outdoor education, corporate retreats, and special events. We take a personal approach with each of our guests by tailoring programming to meet each group's specific needs.

In the past, Camp Potlatch has hosted elementary, secondary, and university school groups from across the province, family camp weekends, various community groups, volunteer work parties, First Nation's health retreats, and more! The Outdoor Centre has quickly built a solid reputation within the community for the quality of programs delivered and fine attention to detail. Groups are rapidly filling up our remaining available 2024 spots!

WE HIRE AWESOME STAFF

At Camp Potlatch, we look for individuals who have a variety of skills and talents to offer and better our camp community. Above all else, it's our staff team's desire to bring out the best in the kids we work with and belief that every kid is capable of the extraordinary that sets our campers up for success.

Staff members are mature and responsible. They role model BGC's values and put the needs of their campers above all else. The care of Potlatch campers is the first and foremost priority of every staff member.

We also look for individuals who are fun and creative. Our staff members are willing to get down and play just as hard as our campers! During camp-wide activities and mass swims, our staff members are engaged with our kids, leading cheer-offs, dressed in full costume and body paint, and encouraging all campers to participate.

Potential candidates are patient and kind. We work with a diverse population of campers, many of whom need gentle encouragement and positive reinforcements to promote positive behaviours.

Working in an overnight camp setting is demanding. Each child's emotional, physical, and social care is our 24/7 responsibility. Despite challenges, working at summer camp can also be incredibly rewarding.

Camp staff leave camp more responsible, independent, and with increased confidence.

We cannot guarantee everyone/anyone will be placed in their preferred Area. The opportunity to work with each child as well as a variety of other staff members enhances the tight-knit community at Potlatch.

Perhaps the biggest highlight for Cabin Leaders and campers alike is the weekly overnight out-trip for each cabin.
