

THE WORLD NEEDS MORE BGC

Grow, increase, strengthen, expand, develop, maximize, cultivate - whatever you call it, what we know is the world needs **MORE BGC**. And, the reason is simple. BGC comes alongside kids and youth: we're there to listen, to let them fail and believe in them still, and to give them a place that really feels like THEIR place. When kids and youth have that, they become better leaders. They learn to make decisions that are good for them. They want to learn and explore their interests. And of course, they develop the skills they need to have strong, healthy relationships. When kids spend time at BGC, they are spending time becoming exactly who they are meant to be.

So, our goal is clear: get **MORE** kids into **MORE** Clubs for **MORE** of their Childhoods, because that means even more incredible human impact right here in our communities. This past year, more kids and youth spent time at BGC, and that makes us work even harder! Because when the goal is more, there's no slowing down!

OUR SECRET IS FREQUENCY, INTENSITY, AND DURATION - SIMPLY PUT - WHEN KIDS COME LONGER, MORE OFTEN, AND FOR MORE OF THEIR CHILDHOOD, BGC'S IMPACT ON THEIR LIVES IS GREATER.
