

Dear Leadership Camper,

We are glad you are interested in joining us this summer to participate in one of Camp Potlatch's premier wilderness leadership programs. This is a once-in-a-lifetime opportunity for you to learn and grow as a leader in a stunning environment. We pour a lot of time and energy into ensuring that these programs are of the highest quality. When campers are fully committed, our programs are incredibly rewarding. It's imperative we ensure that this program is the right fit for you.

So, what are you signing yourself up for? Depending on your program, at least a week without any of the luxuries of home. All leadership campers are stationed across the creek from Main Camp. A true wilderness camping experience, you'll be sleeping in a tent or cabin shared with other members of your program. All our wilderness sites are power-free (be prepared to live without your devices) and require campers to hike a short ways in. You'll be living communally with a group of other campers in pretty tight quarters. As a group, you'll cook many meals together (either over a camp stove or fire) and keep the campsite tidy. It may not be the lap of luxury, but you'll be surprised at how quickly you'll discover a deeper connection to nature and begin to call this slice of land home.

At Camp Potlatch, our Leadership Camps are built to challenge you socially, emotionally and physically. You'll be asked to push outside your comfort zone to allow you to grow and change in ways you never imagined. As a leadership camper, you'll also take part in at least one (typically two) multi-day out-trip by land or sea (hiking or canoeing). While physically demanding, out-trips are unbelievably rewarding. Many past campers cite these trips as a highlight of their camp career. It is important to have the right equipment for these overnight trips- please see the packing list below. As part of the leadership program, participants are expected to be a role model for Main Camp campers and be a positive influence on your peers.

Please take some time to carefully read and fill out both the Leadership Camper Participation Contract as well as the Leadership Questionnaire within this package. This should take no longer than **5-10 minutes to complete**. *We ask that this package be submitted within two weeks of registering and/or no later than 30 days before the start of session.* The package can be uploaded on the Online registration portal or emailed/mailed to the contact information below. Once we have received your package, you will be contacted by a member of the Camp Potlatch team to **CONFIRM** your place in the Leadership program.

Sincerely,

Will Crighton, Summer Camp Coordinator

Choose Your Own Adventure!

Camp Potlatch's leadership programs are designed to nourish the growth of hard and soft skills to better equip you for wherever your leadership journey may take you. As outlined in the graphic below, the path you take from camper to staff member is your adventure to choose!

Leadership Camp 1

A two-week program for campers who are looking to further develop camping skills learned through their time in Main Camp and for campers new to Potlatch just starting their leadership journey. LC1 campers prepare many of their own meals, focus on extended overnight out-trips and learn the importance of teamwork while living in the natural environment.

Leadership Camp 2

This is the final step in Camp Potlatch's leadership program. LC2 is an intensive counsellor-in-training program for teenagers looking to become awesome Camp staff. This program is for mature teens who feel they have the capacity and drive to work toward personal and group achievement.

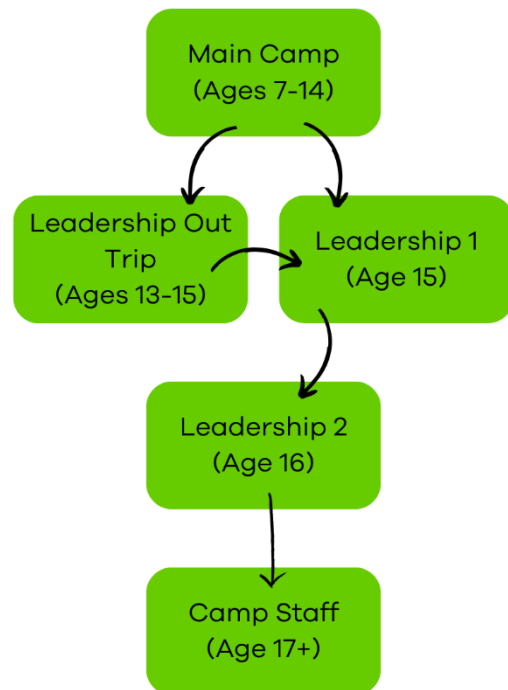

LC2 Campers participate in two multi-night out-trips, one by land and one by sea. They will also take part in a 3-4 day "cabin placement" in main camp, where they will have the opportunity to shadow qualified staff members and learn first hand what it's like to be a camp leader.

Participants will be given the opportunity to develop effective communication, teamwork, and leadership skills while learning the necessary tips and tricks to care for children compassionately and effectively.

Leadership Out Trip 1

This is a 5 night program for campers looking to kick start their Leadership Camp Journey, or for Main Camp campers who are looking for a new challenge. Campers will spend some time at camp preparing before heading off on a two-night hiking trip into Garibaldi Provincial Park.

Explore pristine alpine meadows, glacial lakes, and striking mountain scenery. Highlights include Garibaldi Lake, Cheakamus Lake, and Panorama Ridge. You might even see snow in the summer!

Leadership Camp Packing List

Please label everything prior to arriving to camp, including your child's luggage. We recommend iron-on or sewn-in labels for clothing and magic marker for everything else. Include your child's first and last name. All leadership camps are located an approximate 10-15 minute hike from Main Camp and campers are required carry their luggage to and from these locations on arrival and departure days. All Potlatch Leadership Camps include a significant out-trip component. It's for these reasons we recommend campers pack items in a hiking pack.

Camp clothes often get super dirty – we encourage campers to bring old clothes and recommend checking out second-hand stores to limit new purchases. Laundry will not be available for LOT1 or LC1 campers.*
